With increase in the flights we will be looking at have a no frills PFCI. Or this can be the scouting trip for the PFCI in the next 5 years.. Oh that this is the 5th year.. Only 3 originals remain with James the only person not to take out any title. We will be looking at dropping go karting for the fresh water classic. But that will be

made in Feb or maybe when we are there.. I know for sure there will be fishing, drinking and the cannell cruise all secured.. Oh and cant forget about the Friday night out in the mount.

There are still spots for 2 more people so if you have any mates that want to have a trip away sell it to them. The more we have the better beach cricket will be :)
