## PROPOSED BETTING SYSTEM.

We are in talks with our excel specialist weather it is possible to create a betting spread sheet on some of the odds. The current odds that could be used will be PFCI Champion, Most fish, biggest fish, Go Karting, Long Line and total fish odds.

We are hoping that we will be able to have a system that will enable more than one bet e.g. trifecta -1st, 2nd, 3rd in the go Karting for combined odds.

Each person will start with 100 credits

Betting will have to be placed and secured 1 week before we depart on the PFCI 2013. This will ensure that there is no rigging of results.

This is in development stage so may or may not take place.

Stay tuned for more developments later in the year.

## **RULE CHANGES FOR 2013**

There are going to be a number of rule changes for the up coming 2013 competition. Some of the changes are listed below.

1. GO KARTING to be included in the points system  
(Team and Individual)
2. 10 points per species for the whole trip not per day.
3. Increase the PFCI legal Size of some species
4. Review points per fish.

Any more suggestions please forward it my way and we will look at it.

### **PFCI 2013 GOING LUGEING**

With the Extra funds from the Cheap flights the PFCI 2013 will be heading to Rotorua For a morning/Afternoon of Lugeing. As no booking is required we may do this before or after Go-karts as we will already be in the area.

Stay tuned for further details.

## PROMOTIONAL P.F.C.I 2013 PACKS

We ask everyone to look after to 12 Can PFCI 2012 Bags as a 2013 badge will be made up to be sewn on. This bag will be a requirement for each year and if you like your token to be part of the PFCI. I have got Extra bags for those that lose it. All new members will get one of these bags.

We will also be getting polo shirts this year so if you have time and a target is near by try on a polo and let me know the size. Don't want to be supplying anything too tight or loose.

I will send a Promotional pack out so the shirts can be worn on the plane etc probably just before or just after Christmas/New Year.

### COD STYLE LEVEL UP SYSTEM

2013 will see the introduction of a Call of Duty Level up system.

Every one will start with a hand line and then after each fish with level up. So will look something like this

LEVEL 1 - Hand line

LEVEL 2 - Rod with a Hand Line

LEVEL 3 - Rod & Reel

LEVEL 4 - Soft Plastics/ Soft Baits

Na just joking. But we could introduce it for a session if we are getting out on the water lots.

### TRAVEL PROCEDURES FOR GEORGE

Due to Delays getting through customs at the start of The PFCI 2012 George will be required to Travel at least 24 Hours before hand. This will save time waiting for him in the baggage area as he can't use the Smart Gate System. Also with the Flight being an A380 an extra 20% more people so possibly 20% more waiting time.

No No all good we wont do that to him but there as been a suggestion for an Australian passport. :)

### WHAT WILL THE PFCI 2012 BEST TEAM DO????

The winners of the best team at the 2012 PFCI - HOW BIG have the option defend their title and have the deluxe suite inside the house and stay together or re enter the random draw for new teams and new beds. All this will be

decided on the bus trip to our resort. What will the choose? Which way will they go???

In 217 days we will find out
