expected to be  
drunk
- 244hrs - total time  
in NZ. - Less for  
George
- 14 hours of daylight  
per day.

## 3 MONTHS TO GO

Who counts by months.. Its 92 more days. Wow it is coming around quick. Well all of you should have received you PFCI 2013 Crew Packs. If not let me know and I will see how has got it.

Make sure you keep your pack in a safe and secure place.. Not everyone gets one so there is a couple of billion pissed off people out there. Also don't forget your Cooler Bag..

## NOVEMBER TESTING

There will be some PFCI test going on at the end of November with James and Ben heading over to check out the facilities and to also secure the PFCI 2013 Beer of Choice. The PFCI legal size fish and points will also be tested to ensure the right number of fish are caught and kept.. Launching procedures will be Practiced and Correct way to operating the fire..

Stay tuned for Decembers newsletter on the results of the testing Phase..
