## THE TIME IS NEAR

Well we are down to this. The last newsletter for the PFCI 2014. With only a couple of weeks to go and we will be jetting off to the 3rd annual PFCI. Time has flown by lets just hope time slows for the 8 Days.

Everything is more or less organized. All we have to do is turn up fish, eat, sleep and drink umm well maybe drink some more.

Until the 1st of Feb

Stay safe and looking forward to get the PFCI 2014 Underway.

Remember with the flight we have as many bags up to 30kg. Hopefully we can check in all it once and spread the load so some of the guys can bring their 20kg fishing tackle..

## TRAVEL PLANS

As per last year we will meet at the airport but a little earlier this time around the 5.30am mark for a 730 Departure..

I will send an email out (if Required) so I can get peoples passport details (that I Don't Have) as i maybe able to online check in.

Organise among your selves on transport options to and from the airport.

I will be driving up and picking up Ben.J, Adam and Lachlan. Will send out pick up time to those guys as it gets closer. But you can bet that it will be very early in the morning..

## P.F.C.I 2014 FISHING SPECIES SIZES AND POINTS

SPECIES	MIN LENGTH	PFCI 2014 LENGTH	LIMIT PER DAY	POINTS PER FISH
SNAPPER	30cm	35 cm	5	6
KAHAWAI	NO MIN	45cm	3	2
KINGFISH	75cm	75cm	3	10
TREVELLY	25cm	35cm	COMBINE	5
JOHN DORY	NO MIN	NO MIN	COMBINE	8
TARAKIHI	25cm	35cm	COMBINE	7
GURNARD	25cm	35cm	COMBINE	3

COMBINE = COMBINED TOTAL BAG LIMIT OF 7  
+ 5 POINTS PER SPECIES CAUGHT

Have changed the Fish species to only include the ones we want to bring back.. No rock cod or Shark. But fell free to bring in a shark if you like and there may just be a bonus point or 2 on offer. This will cut down on the catch coming in and wastage.. Have also put a limit on Kahawai that can be weighed in to 3 So make sure the ones you keep are worth the biggest fish title..

Any questions we can sort it out on the drive down or at the resort when we arrive.

Also you can bring in other species if they are of record weight.. A page of the current records will be at the resort but these wont be counted as points.. Will be for bragging rights only.. :)

## WHAT YOU DO & DON'T NEED TO PACK

To save lugging a heavy bag around, the resort has the following things on the bottom left. So unless you use special soap or shampoo or you may have a special pillow you like to sleep with (not including girlfriends/wives or both) the PFCI resort has you covered.. There is also a washing machine so cloths can be washed if required. Any other request let me know.
